Don't miss a single issue of *Presence: An International Journal of Spiritual Direction!*

Dear *Presence* Subscriber,

Four times a year, *Presence* journal brings you **must-read articles** that engage the ministry and tradition of spiritual direction from global, faith perspectives. And because *Presence* is a peer-reviewed journal, you know you are getting the very best information available. *Presence* is committed to the contemplative aspects of our lives, and so you always find **inspiring reflections, poetry and artwork** in its pages. Each issue is both a workshop and a retreat experience that you can participate in on your own schedule.

I'm writing to prompt you to **renew your subscription** or join Spiritual Directors International as a member. If you haven't renewed yet, renew today. You can renew online at <http://www.sdiworld.org/store.html>. Or you can mail in the enclosed renewal form with your check or credit card information. *If you have already renewed your subscription, we thank you; please disregard this notice.*
